## THERMOBILE MANUAL IGNITION WASTE OIL HEATERS

Detail image of ignition draw -easy, convenient, safe operation, models AT400 & AT500.

Heaters shown require flue kit (not shown) to operate.

- Proven reliability for years of efficient heating
- Vapour-free combustion with unique ducted air and sealed vents design
- Pound for pound the best value heaters available
- AT Heater Range - The best manual-lit range available

**FREE SPARES KIT WORTH £100 FOR FIRST 100 CUSTOMERS THAT PURCHASE THE AT307\***

Kit includes combustion dish, thermostat, inlet tube and top seal

### AT306

Radiant heat, open flame combustion recommended only for workshops where no explosive vapours are present.

### AT306 THERMO

Radiant heat, open flame combustion combined with a 'THERMO' blower, recommended only for workshops where no explosive vapours are present.

### AT307 TOP SELLER

Enclosed flame combustion combined with a 'THERMO' blower. A unique feature is that air can be ducted from outside for a vapour-free clean air supply.

### AT400 TOP SELLER

Enclosed flame combustion combined with a high capacity axial fan. Combustion air can be ducted from outside for a vapour-free clean air supply. Ignition drawer system as standard for easy lighting and maintenance.

### AT500 TOP SELLER

Very high-efficiency heater with built-in, large-surface heat exchanger. Enclosed flame combustion combined with a high capacity axial fan. Combustion air can be ducted from outside for a vapour-free clean air supply. Ignition drawer system as standard for easy lighting and maintenance.

MODEL	DESCRIPTION	PRICE	WEEKLY FROM*
AT306 Kit	Waste Oil Heater + Complete Flue Kit, 68,000 - 102,000 BTU/h	£1,095.00	£6.03
AT306 Thermo Kit	Fan Assisted Waste Oil Heater + Complete Flue Kit, 68,000 - 102,000 BTU/h	£1,195.00	£6.58
AT307 Kit	Fan Assisted Waste Oil Heater with Enclosed Combustion + Complete Flue Kit, 68,000 - 102,000 BTU/h (+*FOC Spares Kit worth £100 whilst stocks last)	£1,495.00	£8.24
AT400 Kit	Fan Assisted Waste Oil Heater with Enclosed Combustion and Built-in Large Surface Heat Exchanger + Complete Flue Kit, 85,000 - 143,000 BTU/h	£2,250.00	£12.39
AT500 Kit	Fan Assisted Waste Oil Heater with Enclosed Combustion and Built-in Large Surface Heat Exchanger + Complete Flue Kit, 123,000 - 210,000 BTU/h	£2,595.00	£14.29

## INFORMATION REGARDING SMALL WASTE OIL BURNERS (SWOBS)

To make you aware that the Department for Environment Food and Rural Affairs (Defra) is conducting a review of guidance on the implementation of the European Union Waste Incineration Directive and it's application to small waste oil burners in England and Wales.

This is on-going, and no timescale has been set. In order to burn waste oil, you will need to register with your local authority. There is an initial charge to do this, followed by a chargeable annual update licence.

## NEW PRODUCT HEATER BOOSTERS

Get up to 91% efficiency from your heater by fitting a booster.

Easy to fit - slots neatly to the flue system. Order with your new heater or retro-fit to your existing heater.

To fit 150mm diameter flue  
**ONLY £289.99**

All prices are for delivery only and exclude VAT. Output depends on type of waste oil. \*Based on a five-year lease agreement. Subject to status. Full terms and conditions available on request. Other lease terms and finance options available on request. Offers valid until 30 April 2015. Prices correct at time of going to press: January 2015. Prices exclude VAT, VAT will be applied at current rate. Errors & omissions excluded.
